

World Refugee Survey 2000

The World Refugee Survey is the definitive annual publication on world-wide refugee affairs. Survey 2000 reports on conditions for refugees and internally displaced persons in more than 120 countries around the world. It consistently includes the most accurate and comprehensive refugee statistics available anywhere as well as important articles on refugee issues written by experts from around the world. Widely respected and cited by press, voluntary agencies, governments, and human rights organizations, the Survey is the culmination of a years on-site documentation and research by the staff of the U.S. Committee for Refugees.
