

# Magnanimous Inspirations: 1,000 of the Worlds Greatest Inspirational Quotes

In this book, the author offers the reader the opportunity to be inspired and enlightened by simple statements that ask the hard questions and state truths born of experience. Every author has a motivation. The greatest motivation grows out of years of intense experiences. Great writers take us on a journey into life experiences as the by-product mental and spiritual transformation. Every quote ripples the waters of self-reflection, as we experience the deep curiosity found when one becomes a student of religion. These quotes reflect the quiet hours of contemplation the study which spiritual teachings produce. These quotes will ring loud for anyone with inside experiences of a religious movement.
