

Funny Quotes: For Women, About Women, By Women (Quotes for Women Book 2)

In the first book of our Quotes for Women series, I affirmed that inspiring quotations rejuvenate the mind and the spirit. And I believe that. But I also believe that a merry heart does good, like medicine. Thus, this second book is a collection of funny quotes for women, by women, and about women. I hope these humorous or witty quotations will put a smile on your face. I-Love-Quotes
