

Design and Decorate Kitchens

Remodelling your kitchen can be a serious investment of both time and money. This book shows how to avoid costly mistakes, how to design a kitchen which will suit your needs and tastes, as well as suggesting fabulous makeovers for your existing space. It contains essential information on layout and planning, and choosing the most suitable fixtures and fittings. There is also practical information on choosing flooring and wall coverings suitable for kitchen atmospheres plus information on plumbing and the safe use of electricity.
