

Uniform Billing: A Guide to Claims Processing (Book Only)

UNIFORM BILLING: A GUIDE TO CLAIMS PROCESSING, 2e is the essential resource for learning in-patient and out-patient processing techniques. Whether used in an acute, subacute, long term care, specialty, or clinic facility, this learning tool shows readers how to use UB-04 in any scenario. Its exercise-based format emphasizes practical application to help readers efficiently absorb the material. Plus, the included access code for the SimClaim software allows users to practice completing claim forms electronically.
