

Differentiation is a snap with this collection of word sorts that have been formatted to make it easy for teachers to meet their students' diverse needs. The words on each page are conveniently organized by level of complexity—from single-syllable to multi-syllabic words—using the same chunk (rime) or vowel pattern. Simply cut the page to give students exactly what they need based on their decoding abilities. A proven way to build students' word-recognition and spelling skills!

Epistle to the Ephesians, Past to Present: How Your Past Lives Are Impacting You Now, Clavis or Key, The Gita Renewed 2015-16 Weekly Planner: Transforming the Leader in US (Innovative Mindful Leadership) (Volume 8), The BBI Combinatory Dictionary of English: A guide to word combinations, Second Language Writing (Cambridge Applied Linguistics): Research Insights for the Classroom, Viaje hacia el Mundo Sobrenatural/A Journey into the Supernatural (Spanish Edition), Model buildings and how to make them, De Cara al Muro (Spanish Edition),
