

## Longman Thesaurus of American English (American Thesaurus)

The new Longman Thesaurus of American English is an innovative and simple resource that helps learners find more appropriate words for what they want to say. Available in book format and online, it helps increase your vocabulary and improve your writing. Unlike conventional thesauruses that just offer lists of words, this book offers proper disambiguation between the synonyms. It covers a wide vocabulary made up of general, academic and content words that are explained in a clear and accessible way with student-friendly example sentences.
