

The Tao of Shakespeare: A Book of Meditations

Shakespeare's writings, with their profound understanding of human experience, continue to enlighten us nearly four centuries after their publication. In his latest book, Shakespeare maven Scott Kaiser explores the eternal wisdom of the Bard through 180 meditative passages inspired by quotations drawn from the canon. Each passage in this collection offers an opportunity to reflect upon the challenges of modern life, guided by the words of William Shakespeare and deepened by the teachings of the ancient spiritual masters Lao-Tzu, Chuang-Tzu, and the Buddha.
