

## Interactive Level 2 Testmaker CD-ROM and Audio CD

Interactive is an exciting four-level course for teenage learners from elementary to upper-intermediate levels (CEF A2-B2). The Testmaker CD-ROM and Audio CD provide a useful resource for creating printable tests from a bank of ready-made test questions. Testmaker offers flexibility, giving you the ability to combine different exercises, units and skills tests to create your own customised tests. Tests can be exported to a word-processing application and edited. There is also the option of creating A and B versions of each test. The accompanying Audio CD provides the classroom audio for the Testmaker listening exercises.
