

Psychic Intuition: Everything You Ever Wanted to Ask But Were Afraid to Know (Paperback) - Common

PSYCHIC INTUITION is intended to bridge the gap between skeptics, who can analyse but don't experience psychic phenomena, and believers, who have the experiences but lack the ability to analyse. If you've never had a psychic experience before and don't believe in it, PSYCHIC INTUITION may just change your mind. This is a must read for believers and, more importantly, for skeptics like Nancy
