

## A Carpenter Named Savior: King Of Kings And Lord Of Lords

Second book evolving from the darkest time of my life, stuck in a deep depression. I cried out to God over several months to break the depression off my life. Nights sitting in my bedroom the Holy Spirit spoke to my heart to write down my prayers, whereas so many people today are suffering with depression. Through the Blessing of God I wrote over eighty writings that encompass everything you can imagine that afflicts everyone of us on every level. I kept hearing over and over God hears, he cares and hes moving in your situation. The depression broke and I give all the Praise and Glory to God for these wonderful messages.
