

Myself and I (Keyshas Drama)

Lately, Keysha feels like a magnet for trouble—especially boy trouble. Her last love interest turned out to be a major fraud, and her ex, Wesley, refuses to accept that they're finished. Swearing off relationships and concentrating on herself seems like her smartest move. Then Keysha meets her new neighbor Jerry, who has every girl in town vying for a summer fling. Working as lifeguards together, Keysha realizes that Jerry has more to offer than a great car and a sexy smile, and the harder she tries to ignore him, the more interested he becomes. But is it Keysha that attracts him or the chase itself? And when the biggest party of the year gets dangerously out of line, and Wesley's jealous new girl pins the blame on Keysha, she'll learn exactly who she can trust. Only problem is, it might be too late to save herself.
