

A Vocabulary of Arabic in Daily Life

A Vocabulary of Arabic Daily Life contains the essential words that help the readers build their language in a methodical way. It is handy and accessible and presents ready-made lists of key terms of daily Arabic. The words are grouped in thematic sections and are listed alphabetically so that they are easy to find. The book is divided into key themes such as the body, sicknesses, medical care, food, meals, clothes, physical appearance, colors, mankind, kinship, relations, indoors, outdoors, studies, professions, hobbies, economics, politics, organizations, religion, communities, media, art, technology, police, crime, war, migration, geography, weather, emotions and character traits.
