

Executive Presence: 49 Golden Rules for Executives, Managers, and Leaders to Maintain Authority Under Pressure, Communicate Confidence, and Own Any Room

Effective leaders, those who command the room and connect with their audience, make their charismatic talent seem effortless. However, Executive Presence is not a talent one is born with; it is a skill one can learn. Andy Neillie's Executive Presence provides a simple yet substantial toolkit for leaders, and emerging leaders, that need to improve their Executive Presence. Whether you are making a formal presentation, using slides and visuals in front of a room of hundreds, or leading a small meeting in a conference room, Executive Presence has information that can improve your confidence and command.
