

Fireplace Styles

Stone, brick, tile, or metal? See how many ways there are to envision and create this enduringly popular interior feature. A warm and charming addition to our series of illustrated books on style and design, *Fireplace Styles* is a celebration of the hearth at home, from primitive to contemporary. Generously illustrated with full-color photographs, it makes a lovely gift book, and is sure to be of interest to the increasing number of homeowners looking for inspiration in creating or enhancing a fireplace for virtually any room of the house.
