

## Puswhisperer II: Another Year of Pus

A second year of clinical tales from the Puswhisperer, Mark Crislip, an infectious disease specialist from Portland, OR. Dr. Crislip kills strep and staph, fights flu, and is always on the lookout for zebrasthose unusual infections (and sometimes non-infections) that leave all the doctors guessing. Originally intended as a guide for studying for the Boards, these tales have been edited for a lay audience and provide hours of educational entertainment for anyone interested in infectious disease. Mark Crislip has been practicing Infectious Diseases in Portland, Oregon since 1990. He writes for Medscape, with a popular blog entitled Rubor, Dolor, Calor, Tumor. He is an editor and writer for the Science-Based Medicine blog averaging over a million page views a month. He edited a 12 volume e-book collection of the SBM blog entries, available on Amazon, Nook and iTunes. He produces three highly rated medical podcasts, the Puscast, Gobbet o Pus and the Quackcast which won the Peoples Choice Podcast Award for best Health and Fitness podcast three years in a row. He produces the The ID Compendium, a popular Infectious Disease iPhone/Android reference application. He is also the President of the Society for Science-Based Medicine.
