

Grammar, Ages 8-11 (English): Home Learning, Support for the Curriculum

This series of 12 educational books provides a basic, formal introduction to the subjects children will cover at pre-school, ages 4-7 and ages 8-11, in Maths, English and Science. Completing the exercises and activities in these books is fun for both children and parents, and will give your child the knowledge and confidence to succeed. The wide variety of curriculum topics covered are presented in a clear and colourful way, with carefully targeted questions and activities and helpful tip boxes to encourage absorption of information.
