

Astrology Made Simple And Easy to Understand (Volume 1)

What if you had the ability to know when you were influenced by a particular planet in a certain way? Imagine if you were able to understand why this new energy was influencing you and you could adjust to it, wouldn't that make life a lot easier all around? What would your life be like if you could know this? Astrology can be a very complicated subject, but this book explains it as simple and plain as it is at all possible to do with Astrology. It is written in plain English and made easy to understand, even if you know nothing about astrology. It is also ideally suited to people with a basic knowledge looking to further their understanding on the subject. It is pleasurable to read and complemented by funny cartoons. It will help you identify your strengths and make the best use of them. It will help you overcome your fears and weaknesses. It has a description of all the Star Signs. It has an explanation of the Ascendant and the 12 signs. There is a description of the 12 Moon signs.
