

THE LAWS OF MENTAL HEALING. Ideal Suggestion Through Mental Photography (Timeless Wisdom Collection Book 301)

Henry Wood is one of the exponents of the New Thought movement (names like Orison Swett Marden, William Walker Atkinson, Wallace Wattles and Christian D. Larson are also writers of this thought movement). The first part of the book analyzes the theory and practice of healing, from the power and thought and suggestion, to the planes of consciousness and the body. The second part, contains a total of 25 beautiful affirming and healing meditations.
