

Wings of Sivananda-Valentina: Tape Recorded Satsangs 1975

In the Wings of Sivananda-Valentina, our Holy Mother shares Her Heart and Wisdom with devotees and students who seek to expand their consciousness through the practice of Yogic spiritual disciplines at Her Retreat, The Light of Sivananda-Valentina. This book covers twelve months of various spiritual Observances which include Christian, Jewish, Buddhist and Yogic traditions. Whatever our beliefs might be, we gain new insights into our own religions through these inspired writings. These discourses were transcribed from spontaneous, unrehearsed discourses and so have a vitality and life which is seldom seen on the written page. The Wings of Sivananda-Valentina tenderly lead us upward to new heights and give us the inspiration and the wings to soar ourselves.
