

The revolutionary intuitive medium beloved by celebrities, CEOs, and tech leaders teaches you how to harness the intuitive power inside you to achieve radical self-empowerment and spiritual awakening. Intuitive medium Jill Willard has become a beloved spiritual guide to high-powered, high-achieving creators and culture makers, from Academy Award-winning actresses Gwyneth Paltrow and Patricia Arquette to executives at Google and Facebook. Warm and inclusive, Jill firmly believes that we all possess intuition far more powerful than we have dreamed of, and that there are simple steps we can learn to truly hear that inner voice, guiding us to our best lives. In *Intuitive Being*, Willard teaches readers how to access and unlock the power of that inner voice. In clear, fluid prose Jill shows how our inner voice is connected to Spirit, and how that connection is kept open and strong by balanced, unblocked energy centers within us—our chakras. Through concrete, inspiring practices, Jill teaches us how to balance those energy centers, connect with Spirit, and unlock the power of intuition—to hear the empowering guidance our inner voice has for us at all stages of our lives. Warm and practical, inspiring and inclusive, *Intuitive Being* will awaken your intuition and transform your being: when you are in tune with your intuition, you are in balance, connected with Spirit, and ready for a life of tremendous abundance and fulfillment.
