

## Kitchens (Home)

Home series is a unique collection of thirty titles, eclectic and stylish, devoted to interior design and decoration, and presented in a handy format. Every book shows the finest projects by leading architects and interior specialists, in a kaleidoscope of styles and genres, and is packed with ideas for your own home. This volume is concerned with kitchens, from the small to large, from country style to urban. With over 100 gorgeous color photographs, this book explores the layouts and trends in contemporary kitchen design.
