

Meditation for Beginners will escort you through the benefits, science and the step-by-step process of meditating to help you achieve a calm and balanced life. If you don't know your chakra from a chorizo or prefer a pair of Jimmy Choo shoes over walking barefoot on dew-covered grass, then this is the book for you. The Wellbeing Workshop guides are designed as a handbag mentor for when you want to dip your toe into the world of spirituality and self-help. Every edition is a down-to-earth, practical, quick read, with a touch of humour. The range of guides in the Wellbeing Workshop Series cover topics such as Meditation For Beginners, Vision Boards For Beginners, and Reducing Anxiety & Fear With EFT. Read them as standalone titles, or collect the series - the choice is yours.

The Architects Brain: Neuroscience, Creativity, and Architecture, Visual Dictionary for Military Applications English & French & German - Dictionnaire Visuel pour Applications Militaires - Bildwörterbuch für Militärische Anwendungen, Ori Introduction To The Responsible Conduct Of Research, Human Physiology, Dictionnaire Encyclopedique De La Theologie Catholique (French Edition), A Different Kind of Happy: Finding Everyday Joy and Understanding with an Autistic Child (Japanese Edition),
