

What Consumers Need To Know About Mortgages: A Guide About What Really Happens From A Mortgage Insider

A step by step guider that prepares you with what you need to know about mortgages as a consumer, tells you how to cut through the nonsense, what is important and what is not. Written by a working loan officer with wide-ranging experience and a decade of running a consumer education website, What Consumers Need To Know About Mortgages draws from a depth of experience dealing first-hand with issues that actual consumers have brought to the author for examination, together with common sense solutions that consumers can understand. For the numerically inclined, calculations are included but not required for understanding.
