

## Modernism: The Lure of Heresy

Rich, learned, briskly written, maddening yet necessary study. Lee Siegel, New York Times Book Review Peter Gay explores the shocking modernist rebellion that, beginning in the 1840s, transformed art, literature, music, and film. Modernism presents a thrilling pageant of heretics that includes Oscar Wilde, Pablo Picasso, D. W. Griffiths, James Joyce, Virginia Woolf, T. S. Eliot, Walter Gropius, Arnold Schoenberg, and (of course!) Andy Warhol.
