

## Healing Workshop: A Manual Blessed by Angels: Angelic Request Therapy (Healing Workshops)

ANGELIC REQUEST THERAPY brings in new energy allowing the release of detrimental memories. This age old system can restore relationships or give liberation where it is needed; allowing all who ask for angelic assistance a healthy, happy and fulfilled existence. This book is the first in a series and it details basic Relationships, Earth Healing - including Sick Building Syndrome - Karmic Issues, Protection, Planetary Healing and Detrimental Energy. The Angelic Force has been tasked with mankind's care; knowing how to simply receive their support allows everyone the insight needed for the journey of life.
