

Not This

More stories and spiritual teachings from an acknowledged Dhamma master and story teller. Michael Kewley is a former Buddhist monk and now internationally acclaimed teacher. He reminds us in a joyful, loving and profound way that our spiritual life is found in our ordinary life and that love, joy, peace and compassion are not qualities that need to be created within us, but only qualities of our heart to be realised and expressed moment after moment. This then, is the way to liberation.
