

Identifying and transforming the true cause of an illness or difficult life situation is a very complex task. Through connecting and communicating with angels, Quantum Angel (QA) Practitioners help those living with pain access the divine matrix and restore health and balance by applying the Angel Healing Formula. QA Healing applies fundamental concepts of quantum physics to perform healing, either hands-on or at a distance. It uses diagnostic intuition, clairvoyance, telepathy, energy healing, and prayer and goes beyond physical death and integrates nonphysical helpers in the process.
