

Row, Row, Row Your Boat: A Guide for Living Life in the Divine Flow

Whether you are aware of it or not, there is an underlying current in your life--a divine flow--that is continually guiding you toward the effortless fulfillment of your hearts desires. The trick is learning how to recognize and cooperate with that flow. And thats what this book will teach you how to do. In a refreshingly clear and memorable manner, you will find out how to experience the flows miracles more freely and more frequently, so you can live a life of greater happiness, satisfaction, and ease.
