

## The Real Treasure-1: Life of a Resident with Avatar Meher Babas Mandali

The book is about spirituality. It includes stories narrated by Avatar Meher Babas Mandali (disciples). Avatar Meher Baba proclaimed Himself as the Avatar of the Age and is regarded as such by millions of His followers, all over the world. According to Meher Baba, the Avatar takes birth from time to time to give the weary world His message of Love and Truth. In our history He has come as Zoroaster, Rama, Krishna, Buddha, Christ and Mohammed. During His life, (1894-1969) Avatar Meher Baba traveled extensively throughout India and all over the world for His spiritual work. In the early 20s He established a base of operations near Aaragaon village, some six miles north of Ahmednagar, in Maharashtra, India. This was called Meherabad and it is here that Meher Babas Tomb, or Samadhi, is located. These stories are nothing but nuggets of real wisdom that help and guide us in leading a spiritual life.
