

## The Frog & Toad Sleepover (Leaping Larry)

When Eric Toad and his pal Leaping Larry decide to have a sleep-over they have high hopes for a fun filled evening. Instead one thing after another goes terribly wrong. Can the sleep-over be saved? You wont want to miss what happens next in this teachable Dr. Gary Tale, that lets the reader discover the why of putting things in their places. Written by Dr. Gary Benfield and illustrated by Chris Sharp. Stay tuned for more Leaping Larry adventures!
