

Astrology Love Secrets: Let Your Soulmate Find You

Imagine you had the knowledge to help use the movements of the stars to attract and find your soul mate! Imagine if you could cheat a little bit and help find those who you know will be great for you! If you're tired of going through life with one dead end relationship after another (or with no relationship at all) in Astrology Love Secrets, you will discover how to: *

- * Improve your relationships with friends and family
- * IGNITE your sex life
- * Give your career a kick start
- * Make your weekends fabulous
- * Improve your health and find energy you never knew you had

ALSO, I'll give you plenty of good reasons why you shouldn't bother paying for expensive readings or charge-by-the-second phone calls when you can learn it all yourself in next to no time at all. Here's what you will also discover in Astrology Love Secrets:

- v How to dramatically improve your chances of finding your soul mate
- v Which star signs are better suited for YOU
- v Vital information covering all the signs of the zodiac that you probably never knew!
- v How to use astrology to help you through the various stages in your life
- v Unearth some important tips for increasing your sex drive
- v Find out who started astrology and when
- v Discover how mankind's greatest achievements were directed from the stars
- v How do the planets influence our lives
- v Find out about the 4 asteroids that also have an effect upon compatibility
- v Discover if astrology is real
- v What are the houses and how do they effect us?
- v Why some zodiacs have up to 4 different star signs
- v What happens if you were born in-between star signs
- v Who makes the best soul mates
- v Will you ever know if the one you love is your TRUE soul mate?
- v Discover tips for improving all your relationships, including those with your family and friends
- v How to save thousands of dollars on silly phone calls to the experts
- v Is it the end of the world if

people in love are not compatible according to the stars? v How to Use Astrology for Yourself v Astrology Love Charts v Understanding Astrology and Sex and Relationships v Astrology Charts: Your Guide to the Stars? v Astrology for Lovers: An Essential Handbook v Exploring Astrology Relationship Compatibility v Does Astrology Really Work? Let your soulmate find you! Also includes bonus supplements: Astrology and Your Health, Astrology and Your Diet, and Astrology and Your Career!
