

Successful Assertive Management (Business Buddies)

Succinct advice and checklists focus on motivating the staff to recognize and succeed in company goals. There are additional tips on communicating ideas clearly, and matching the right person to the right task. New titles in the growing Business Buddies series for career-minded men and women offer tips, checklists, dos and don'ts, and general information for getting ahead in the world of business and management. They are practical, quick-reference fact books, focused to help readers set priorities and goals. They are not lengthy theoretical essays on business and corporate topics. Both beginning job hunters and experienced business professionals will find these quick-read guides filled with practical advice that they can put to immediate use.
