

The Out of Bounds Church?: Learning to Create a Community of Faith in a Culture of Change (Emergent Ys)

A creative and thorough exploration of what it can mean to be church in a postmodern world. This book posts back from the creative edge of the emerging church. Weaving the life and liturgy of emergent Christian groups with biblical reflection and the riches of the Christian tradition, you'll start to see what's happening not only in your own backyard, but across the globe.
