

Larry and the Meaning of Life (The Larry Series)

Josh Swensen (otherwise known as Larry) cant seem to get off the couch. His usual overactive imagination and save-the-world mindset have all but vanished, and his best friend Beth is seriously worried. When Beth coaxes Josh into taking a walk at Walden Pond, Josh meets Gus Muldarian, a spiritual guru who convinces him to join his study group as a way to find deeper meaning in life. Josh thinks Gus is a joke. Still, feeling desperate and seeing no way out of his rut, he agrees to try it. What begins as a harmless Thoreau-esque search for meaning soon turns into Josh's most chaotic and profound adventure yet. After the success of *The Gospel According to Larry* and *Vote for Larry*, Janet Tashjian returns with yet another tour de force--a book that explores important topics and will keep teens hooked right until the unexpected end.
