

## The Master Key System

THE MASTER KEY SYSTEM, by Charles F Haanel, was written in 1912! Charles F Haanel was no self-help philosopher. He was the founder of Continental Commercial Company, one of the largest corporations in his day. Even though he was a practical man of business, he had a profound understanding and personal grasp of psychology and self-improvement, particularly in the power that is available to us in our thoughts. What he presented in his book is perhaps best summarized by these words: We must be before we can do, and we can do only to the extent which we are, and what we are depends upon what we think.
