

The Newspapers Of Nevada: A History And Bibliography, 1854-1979

This bibliography of Nevadas newspapers greatly expands on previous works; more than 800 publications are included as well as an appendix of early newspapers from border states that reported regularly on Nevada. The authors provide a brief historical sketch of each publication, printing and ownership details, together with a list and location of known copies of the original papers, plus current microfilm holdings. An excellent resource for scholars and genealogy buffs who need access to the information newspapers provide.
