

The Way In: A Book of Self-Discovery

The Way In is an anthology of statements about the spiritual life, each one challenging preconceptions and responding to the hunger for real answers. It gives sound advice about false trails on the spiritual path and practical teachings for the Ways of Truth, Love, Stillness and Prayer. The section on the Way of Stillness contains the text of the Audio Book Start Meditating Now. The Way of Love supports the teachings in Barry Long's best-seller Making Love : Sexual Love the Divine Way. It is the best survey in one volume of all the practical aspects of Barry Long's teachings and recommended as an inspiration to anyone, whatever their spiritual background.
