

The entries cover all parts of speech (noun, verb, adverb or adjective usage) as well as use in modern slang, pop culture, social sciences (linguistics, history, geography, economics, sociology, political science), business, computer science, literature, law, medicine, psychology, mathematics, chemistry, physics, biology and other physical sciences. This 'data dump' results in many unexpected examples for Townsend, since the editorial decision to include or exclude terms is purely a linguistic process. The resulting entries are used under license or with permission, used under 'fair use' conditions, used in agreement with the original authors, or are in the public domain. Proceeds from this book are used to expand the content and coverage of Websters Online Dictionary (www.websters-online-dictionary.org).

Gods and Goddesses Card Deck: Mantras, Blessings, and Meditations (Mandala Wisdom Decks), Consciousness Unfolding, A Quote A Day for Writers 5: May - The Craft, Cultural Relations in the Global Community: Problems and Prospects, Writing Picture Books: A Hands-On Guide from Story Creation to Publication,
