

## Modern Day Courtship

I love her so much and I almost missed it. In this modern world, we can be so foolish with love and the people we choose to love. Sometimes we even miss the very one that we should be with... unless we have help. Thank God for the people that surrounded our lives that literally pushed us to be together. From Hawaii to California, our REAL relationship spanned half way across the Pacific and could only have been orchestrated by the Lord. Our short story describes all the details about how we were transitioned from two very single people to having a modern day courtship.
