

## Visualize the Life You Want: Money, Success & Confidence Hypnosis Collection

Live the life you've always wanted. Make more money and empower yourself. Find true happiness and create a motivated mindset for positive thinking and success. It's all here in Visualize the Life You Want, a new hypnosis compilation from highly acclaimed hypnotherapist, Rachael Meddows. Rachael Meddows is a world-renowned hypnotherapist whose soothing voice has helped clients overcome phobias, feel empowered, lose weight, and live the life they've imagined. Within this collection, you will find hypnosis scripts for four different programs: Unlimited Financial Success Positive Thinking Empower Yourself and Be Your Best Save More Money Your hypnosis compilation book is designed for people who want to create their own hypnosis recordings (for personal use only). Each script is an easy-to-use guide that can be tailored to all different types of people, no matter your hypnosis experience. There are three main parts to each script: the induction, hypnosis patter, and endings. We have included both sleep and wake endings for each script for your convenience. The induction is a unique version of the standard staircase induction used by many professional hypnotherapists. The hypnosis patter is unique to each program, tailored to specific topics. Don't wait another day to create the life you want. Hypnosis can help!
