

A Daughters Journey

For anyone that has gone through the loss of a loved one, a family member, a pet, a significant other, a home, a situation, anything that pulled you into the depths of despair, this is a must read. It will help you to understand that we are all grieving and through this book, you will feel heard. You won't feel like such a stranger to the ending of that relationship -- you won't feel so alone, you won't feel like you are in the middle of the abyss, but rather Jordan Walsh takes you hand in hand to the abyss and through the abyss to the other side.... We all have a story, become a part of her story and you will find relief from the pain in yours.
