

I Am Called Jesus: The Story of My Life and Teaching

I am called Jesus. This is the story of my life and teaching. I lived with love and forgiveness so that you and all others would see that these things are not merely teachings, but they are life itself. Let my words be in your memories. Remember that you are loved and that you are forgiven, for the more you remember this, the more you will act as a loved and forgiven being. This is the way to peace in this world. Discard your shame and your guilt, for they have no place in the paradise of God. Embrace your best nature, for God is your friend and wishes to be near you. Take heart and have hope that I am still among you, and that my life still resonates within and protects this world of shortcomings. Jesus path focuses on the spiritual heart of human relationships: that all might give and receive of the divine blessings available from each one, and in this way transform our experience on Earth into the heavenly reality his Father intended. I Am Called Jesus- the Story of My Life and Teaching was revealed in fifty daily meditations during the Lenten season of 2002.
