

Modern Proverbs: Quotes, Maxims and Words of Wisdom for the 21st Century

There are many bound collections of quotes available. However, few of these works have been created from a distinctly Conservative and Judeo-Christian perspective. This book compiles thousands of quotes, maxims and anecdotes from a uniquely moral, spiritual and decidedly Conservative point of view. There are thousands of quotes ranging from topics as poignant as HUMOR and CHILDREN, as useful as BUSINESS and RELATIONSHIPS, as controversial as MORALITY and POLITICS and as inspirational as PRAYER and FAITH. This exhaustive selection of quotes includes wit and wisdom from dynamic speakers, writers, politicians, ministers, philosophers, scientists, athletes, military leaders, social commentators, humorists, musicians and countless other important figures that made a lasting impact in history. MODERN PROVERBS includes nuggets of wisdom for everyone. Whether you are searching for quotes to be used in lectures, books, sermons, signs, school papers, bulletins, presentations or simply for your own personal growth, these quotes are certain to have an immediate and lasting impact on your heart and mind.
