

A Wealth of Information on Unlocking the Mysteries of the Zodiac Signs For thousands of years, human beings have looked to the stars for a clearer understanding of the world and its inhabitants. Whether you subscribe to the ages-old belief that your birthdate and time define your personality and can help determine your path through life or you are simply curious to know more about the ancient science of astrology, Zodiac Signs is the book for you. Arranged chronologically from Aries to Pisces, each chapter contains fascinating astrological information to give you a deeper insight into your friends, your colleagues, your loved ones, and yourself ... whether you're a dependable Taurean, a sensual Virgo, an artistic Libran, or a fearless Capricorn. Male and female personality traits and behavior Sex and love, and compatibility with other signs Helpful lists and illustrations Explanation of symbols and glossary of terms
